That bullet has been removed.

I don't know about the letter.

PS As you might expect, this is close hold. David just sent me an email to confirm that.

Thanks.

The region agrees that we should not include the 4th bullet. Do we know if we are sending a letter? Thanks.

Assume you all may have heard this thru other channels but it was news to me so just passing on....

I do hope they take out the 4th bullet because I'm not sure of its import or implications.

Heidi – do you think we should let our DOJ attorney know as an FYI?

Thanks.
